Exhibition Auto Endorsement

Do you enjoy showing off your antique or collector car in parades and car shows, as its primary use? If so, Cincinnati's Exhibition Auto coverage may be just what you need.

Consider Cincinnati's stand-out benefits not always available from other carriers:

- You can cover these vehicles on the same policy that insures your other private passenger automobiles. You'll enjoy the simplicity and convenience of one policy, one bill, one renewal date and one agent.
- In the event of a covered total loss to your auto, depreciation does not reduce the amount of your settlement. You receive a settlement based on the value specified in your policy and agreed upon by both you and Cincinnati.
- Your exhibition vehicle of any age may qualify for this coverage. While other qualifications may apply, Cincinnati does not define eligibility by setting a minimum age of 25 years.

Multi-car and multi-policy discounts

You benefit from a multi-car discount on already very competitive premiums. And when you insure your home and car with Cincinnati, you benefit from an additional discount.

Hassle-free claims service

In addition to these benefits, you'll receive superior claims service with your Cincinnati policy. Surveys have consistently ranked Cincinnati among the top independent agent-represented companies for prompt service and fair loss payments.

The right coverage from the right people

Cincinnati's commitment to you is simple. We deliver service from people who know you, your business and your community – your local independent insurance agent and, in most cases, a local claims representative.
